

SatireOrParodyContent

A Schema.org Enumeration Member

This term is in the "new" area - implementation feedback and adoption from applications and websites can help improve our definitions.

Thing > **Intangible** > **Enumeration** > **MediaManipulationRatingEnumeration** :: **SatireOrParodyContent**

[more...]

Content coded 'satire or parody content' in a **MediaReview**, considered in the context of how it was published or shared.

For a **VideoObject** to be 'satire or parody content': A video that was created as political or humorous commentary and is presented in that context. (Reshares of satire/parody content that do not include relevant context are more likely to fall under the "missing context" rating.)

For an **ImageObject** to be 'satire or parody content': An image that was created as political or humorous commentary and is presented in that context. (Reshares of satire/parody content that do not include relevant context are more likely to fall under the "missing context" rating.)

For an **ImageObject** with embedded text to be 'satire or parody content': An image that was created as political or humorous commentary and is presented in that context. (Reshares of satire/parody content that do not include relevant context are more likely to fall under the "missing context" rating.)

For an **AudioObject** to be 'satire or parody content': Audio that was created as political or humorous commentary and is

presented in that context. (Reshares of satire/parody content that do not include relevant context are more likely to fall under the “missing context” rating.)

A member value for enumeration type: **MediaManipulationRatingEnumeration**
